

# Are there any base stations for telecommunication projects in Uganda

The Uganda Communications Commission (UCC) conducted a national survey on conformity of telecommunications base stations in Uganda to ICNIRP guidelines and ITU standards.

In order to address this growing problem, emphasis must be paid to energy consumption in the communications base station due to this high demand at the BS level. As Roy stated in 2008, ...

## LIST OF APPROVED PROJECTS AS AT 7TH JANUARY 2025
