

Are solar battery cabinets suitable for off-grid solar panels?

Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries | available all over Australia.

Why do you need a solar battery cabinet?

Why choose us...?! Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries and options that can house both batteries and the inverter chargers. Available for immediate shipping to your home or business, all over Australia.

Why do you need a solar panel enclosure?

Save time on-site and provide the customer with a neat, safe enclosure for their solar system installation. The cabinets are sized to enable mounting of all inverters and charge controllers in the same panel. This makes the installation much safer, whilst keeping all equipment out of sight and protected from the elements.
