

The magnetic generators are always being used in vertical axis wind turbine generator, diesel gasoline generator, hydroelectric generator (water-power generator) and other generator system which ...

Hot Sale Fengteng FT-1000P 1KW Low RPM 3 Phase Permanent Magnet Synchronous Generator 48V-380V 50-60Hz Factory Price \$520-550 Min. Order: 1 box

What are you looking for? 16 years" experience for 2kw to 200kw wind power system and 2kw to 1000kw permanent magnet generators and familiar with the market trends; provide OEM and ODM service. ...

Feature highlights: This 5kw low rpm permanent magnet generator is ideal for small-scale wind power systems, offering reliable energy conversion with a rare earth NdFeB magnet and carbon steel shell.

Wuxi Feng Teng New Energy Technology Development Co., Ltd. home page. main products: wind turbine, permanent magnet generator, wind solar hybrid system, wind turbine system.

What are you looking for?

The company owns about 100 employees, with more than 10 sets of production equipment, gaining monthly production capacity of 1,000 sets and annual production capacity of 10,000 sets.Fengteng ...

Wuxi Fengteng New Energy Co., Ltd. Is a professional manufacturer of small and medium-size wind turbine systems and relevant accessories. We have been engaged in research and application of ...

High Efficiency and Performance: Our FT-15KW GP, a 3-phase permanent magnet AC synchronous generator, boasts an impressive efficiency of 93% and a long service life of over 20 years, ensuring ...

Fengteng provides wind turbines from 100w to 30kw and permanent magnet generator from 100w to 100kw. With the core patented generator technology, Feng Teng wind turbines have the features of ...
