

The Longi 445W Solar Panel is a 144 cell module with high efficiency, Low LID mono PERC cells, and Half-cut Multi Busbar Technology.

This solar module is perfect for both residential and commercial applications, providing reliable energy generation while minimizing environmental impact. For optimal performance, ensure proper ...

Shop Prism Solar PST-445W-M72HBI-PALLET 445Watt 144 1/2 Cells Bifacial Clear Monocrystalline 35mm Silver Frame Solar Panel (Pallet Of 31 Modules) online or call us, Solarflexion, at 800-942 ...

With a maximum output of 445 Wp and advanced n-type TOPCon cell technology, this module offers excellent performance for residential, commercial, and utility-scale applications, especially in ...

With a peak power output of 445W and a module efficiency of approximately 21.8%, this panel is optimized to deliver maximum energy yield per square meter. Its bi-facial design allows it to ...

JA Solar 445W Bifacial N-Type TOPCon Solar Panel Elevate your solar energy solutions with the JA Solar JAM54D41-445/LB, a high-performance 445W bifacial solar module engineered with advanced ...

Well, if you need, please feel free to contact us! Attn: Mr Frank Liang
Mob./WhatsApp/Wechat:+86-13937319271 Mail: sales@brsolar .

Designed with advanced N-type TOPCon cell technology, this bifacial module maximizes energy output by harnessing sunlight from both sides, making it ideal for residential, commercial, and industrial ...

Up to 445W, 22.3% module efficiency with high density inter connect technology. Reduce installation cost with higher power bin and efficiency. Boost performance in warm weather with low temperature ...

Designed with latest MBB N-type solar cells and a half-cell configuration, this panel delivers higher power output, improved low-light performance, and excellent temperature efficiency --ideal for ...

SOLAR PRO.

Monocrystalline bifacial 445w solar module
