

Off-grid solar container fast charging installment payment plan

"I am off to work now"; Does it mean that I am about to work now. Thanks.

Someone uses "off" as a measurement unit, such as "2 off tablets". But I can't find this meaning in dictionary. Is it a non-standard usage, or just a very old one? Thanks~

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...

I'm not sure about what off means in the following text. It's an address contained in the footer of a letter from Wright Robinson College I'm translating. I don't think it's very ...

Read on to learn about a few of the best companies in the U.S. that can help you design and install your very own off-grid solar system.

Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...
