

[PACKAGE OF 10 CLIPS] Includes 10 stainless steel clips that help drain water from solar panels, any potential damage from stagnant water. [EFFECTIVE WATER REDIRECTION] ...

Find many great new & used options and get the best deals for 10-60X Photovoltaic Panel Water Guide Clamp Solar Panel Water Drain Remove Clips at the best online prices at eBay! ...

Features: 1. Automatically remove accumulated water 2. Increase power generation to improve the service life of solar panels. 3. Easy to install. Automatically snap on the solar panel frame. 4. Polymer ...

\*Effective Water Management: Featuring three drainage channels, the design facilitates efficient water flow, puddling on solar panel surfaces and enhancing the overall efficiency of solar ...

[LONG-LASTING MATERIAL] Crafted from 304 stainless steel, this photovoltaic water guide clip ensures extended use across various environmental conditions while maintaining its ...

Ideal for outdoor use, they can be easily attached to the edges of your solar panels. Simply clip them on and let them direct water away, preventing any accumulation of stagnant water.

Available in three sizes (30mm/33mm/35mm), they feature triple guiding channels for efficient water flow and self-cleaning capabilities, ensuring optimal solar panel performance with minimal maintenance.

Water guide and sludge clamp for photovoltaic panels to help keep photovoltaic panels clean; The width of the clamp is 30mm, which is suitable for various sizes of solar photovoltaic panels;

Buy 10/20Pc Photovoltaic Panel Water Guide & Mud Clamp Solar Panel Water Drain Clips at Walmart

The water guide clip is small and convenient, easy to install on the frame of solar panels, remove the water and dirty of solar panel, so that can increase the power generation.
