

Who makes JackPak power packs?

A subsidiary of the BendPak Family of Companies, the leading distributor of Car Lifts and automotive service equipment. Power up your way with any of the 6 new JackPak Power Packs! The updated lineup includes jump starters, power banks, solar panel chargers, and more!

Are Blavor solar panels good for backpacking?

While the Blavor 10W solar panel is light and portable enough to throw in your pack for a backpacking trip, it's not as light as our top choice for backpacking, the FlexSolar E10 Mini. You certainly can take the Blavor on your next backpacking trip, but if you're counting ounces, the FlexSolar weighs over 5 ounces less.

Why should you buy a solar power bank?

At its core, the brand is rooted in empowering energy independence through clean technology -- and it shows. Their solar power banks, like the 72,000mAh model, pack serious functionality into a compact, user-friendly design that supports off-grid living and emergency preparedness.

Is a BoxWave solar power bank waterproof?

If you tend to expose your gear through some pretty rough conditions - whether for travel, work, camping, or other outdoor ventures - you'll appreciate that this solar power bank is designed to be waterproof, shock-proof, and dustproof, with safely sealed connection ports. The BoxWave Power Bank Solar Pack is the most durable you'll find.
