

Can I rent a generator?

Whatever your need for a generator, we are ready to handle the rental. This applies regardless of the number and type of generators required. You also have the option to rent additional tanks, transformers, and to have your generator or emergency power system, UPS, custom-fitted to meet your exact needs.

How much does it cost to rent a generator?

Average generator rental rates can range from \$100 per day for a small portable unit up to \$2,500+ per week for an industrial standby generator, depending on factors like power output needs, duration, and features. Delivery fees, fuel charges, taxes, and other costs also impact total generator rental pricing. Small Portable Generators
