

What is Sineng electric?

Committed to improving the reliability of electricity supply, Sineng Electric provides smart power quality controller, FPU series active power filter (APF), SPU series static var generator (SVG), and SPC series intelligent power quality correction device. ©2024 All Rights Reserved.

What types of energy storage products does Sineng offer?

Leveraging technological innovation and extensive expertise, Sineng delivers a wide range of energy storage products, including hybrid inverter, battery and power conversion system. With an array of products, Sineng's offerings can adapt to residential behind-the-meter, commercial behind-the-meter and front-of-the-meter applications.

Who makes SolarEdge Solar inverters?

SolarEdge, founded in 2006, is one of the world's fastest-growing solar inverter manufacturers and currently ranks as the largest globally. The Israel-based company offers a wide range of inverters for residential, commercial, small-scale solar installations, along with a wide range of energy storage optimizations and solutions.

Why should you choose Sineng electric?

Sineng Electric provides a comprehensive product portfolio ranging from 3kW to 8.8MW, applicable to residential, C&I, and utility-scale PV projects. The all-scenario solutions, featuring superior efficiency, exceptional reliability and top-notch safety, lead to optimal LCOE and ensure profitability for stakeholders.
