

After more than 10 years of rapid development, Tongwei has become an integrated PV enterprise with high-purity polysilicon production in upstream, high-efficiency solar cell and module production in ...

For 2025, the top HJT solar panel manufacturers in China are JinkoSolar 1, Risen Energy 2, Tongwei 3, Aiko Solar 4, and our own RENDONO#174; Solar 5. These companies lead in production, ...

Last month, Tongwei and China Datang jointly inaugurated a high-altitude PV demonstration power plant in Derong County, Ganzi Prefecture, Sichuan Province (see China Solar ...

Currently, Tongwei New Energy has developed and constructed 56 PV power stations based on "Fishery & PV Integration" in more than 20 provinces (municipalities) across the country including ...

Serving clients in over 70 countries, Tongwei offers a comprehensive range of modules suited for residential, commercial, industrial, and utility-scale power plants.

The project, which is funded by Tongwei Group, involves the application of solar photovoltaic power in the aquacultural industry and the creation of an unmanned aquaculture.

Smart Module By Tongwei Quality as deck, innovation as sail We ship reliable and advanced PV modules by virtue of leading modern intelligent manufacturing.

In 2022, TW Solar signed an "Investment Agreement" with Meishan Management Committee of Tianfu New District, Sichuan to build a 32GW high-efficiency crystalline silicon cell project. The project will ...

As the sole representative in the photovoltaic industry, Tongwei has secured one of the first batch of national-level pilot-scale demonstration platforms! Collaborate globally with friends to innovate, build ...
