

Where can I buy a server rack?

Racks2You.com offers an assortment of server rack products from industry recognized and trusted brand names like Kendall Howard and Geek Racks. Whether your server equipment takes up a corner space or an entire room, we have the tools you'll need to hold and maintain your server system.

What is an enclosed server rack?

Server Racks that are protected from all four corners are called "enclosed frames." These are available with locks one or two locks on the front, back or both. Because of the extra metal, enclosed frame racks are a bit more expensive and allow less airflow. The walls allow for more cable management, fans and sensor accessories to be mounted.

What is a high strength IT rack?

Taller, deeper, stronger IT rack designed for AI workloads High strength rack optimized for integrated liquid cooling, power distribution and AI servers.

Which Rack sizes are available?
