# TABLE OF CONTENTS

Areas Of Expertise	04
Our Approach	05
Our Capabilities	06 - 07
Our Values	08 - 09
Our Valued Clients	10 - 11

## INTRODUCTION

Our focus is to operate as subcontractors to major stakeholders in the Construction Industry and Waste Management sector providing reliable, responsible and resilient removal of building, garden and other waste.

In addition, to supply reliable plant hire on demand to clients outside of Construction Industry.

We are 100% Black owned Exempted Micro Enterprise established in 2012.

# AREAS OF EXPERTISE

- Building rubble removal
- Garden refuse removal
- Building material transportation
- Demolitions
- General clean ups
- Plant hire – TLB, Bobcat, Water tanker, 6m3, 8m3 and 10m3 Tipper trucks

# OUR APPROACH

- To be involved in every step of the construction and waste management process by ensuring excellent and environmentally-safe site clean ups.
- Supply reliable plant on demand

# OUR CAPABILITIES
